

## COMMUNITY FUNDRAISER VACANCY

**Competitive salary depending on experience**  
**37.5 hours per week**  
**Based Ashton-under-Lyne/Glossop**

A wonderful opportunity has arisen for an experienced Community Fundraiser to join a small, grass roots charity in the North West. This charity has a truly inspiring mission and this role offers the opportunity to join the team at a really exciting stage in its development.

As part of the fundraising team you will take accountability for all aspects of community and events fundraising, increasing awareness and support for this fantastic charity. You will work with local groups, supporters and small businesses to raise income that will directly impact the lives of families who have suffered the bereavement of a child or have a child with a life-limiting/life-threatening illness or disability.

You'll come to us with some insight into how community fundraising works and have a desire to really make a difference and help us to continue our beautiful heart work. You may have worked in the charity sector, event marketing, sales, or PR. But more important is your ability to use your brilliant communication and relationship building skills, to ensure that we continue to grow the income we need to support our work.

**You must hold a full UK Driving License and have access to a car.**

To apply for this position please email your current CV together with a covering letter outlining your relevant skills and experience including the extent to which these meet the criteria for the role to [enquiries@reubensretreat.org](mailto:enquiries@reubensretreat.org)
